RESPONSE TO OFFICE ACTION

I, Glenn Martyn, Inventor for application number 09/945,501, here by admit to receiving an Office Action to said application number from the US Patent & Trademark Office, Group R Unit 3643, sent by Examiner, Olszewski, Joan M, with the Confirmation number 4265, on February 12, 2003. It has been clearly documented in said Office Action that the date it was mailed to said inventor is February 6, 2003, and that said inventor would be given 3 months to respond. Within this Response To Office Action, their will be a section, Amendment, with appropriate corrections required, and a section, Remarks, with explanations to corrections made and/or arguments to any rejections made by said examiner, and there will be attachments of receipts and any other possible documentation further supporting arguments made by the said inventor within the Remarks section of said Response To Office Action.

Furthermore, I, Glenn Martyn, Inventor for application number 09/945,501, here by admit to submitting a \$60 Money Order made payable to the US Patent & Trademark Office for an extension of 30 days past the required due date for the RESPONSE TO OFFICE ACTION. Peter Poon advised me of this ~~fee~~ and felt all that was necessary was for me to do was write it down a request for a 30 day extension of time to respond to the related office action and to include the \$60 fee in the form of a money order, and to include it with this RESPONSE TO OFFICE ACTION. Thank you for your time and understanding.

Respectfully Submitted,

Glenn Martyn
